Welcome

Thank you for choosing us to provide your hot lunchtime meal.

We are very proud of the quality and variety of our balanced, nutritious meals which adhere to national catering guidance.

Our menu repeats every four weeks and a new menu is produced each year.

If you would like to change your order, you can do so at any time by calling our support teams who will be happy to help.

Step 1: Select your meal options for each day of your service for all four weeks. You can select a two-course meal consisting of a soup and main course, or a main course and a dessert. Or you can choose to receive all three courses for an extra charge. If you do not select a meal, you will receive our meal of the day (the first option displayed each day) or another meal that meets your dietary requirements.

Step 2: Give your completed menu to your meals on wheels delivery driver.

Step 3: We can provide you with a copy of your completed menu upon request.

These meals are suitable for everyone. However, we would recommend you choose more higher energy meals * if you have a smaller appetite, or are unintentionally losing weight (e.g. you have noticed your clothes, or jewellery such as rings, are looser).

If you, or a loved one, are concerned about unintentional weight loss, please speak to your GP for support.

About us

Our mission is to help adults in the community to live happier and healthier lives, whilst remaining independent in

live happier and healthier lives whilst remaining independent in their own homes. We support thousands of people every year, and we always ensure that our clients' wellbeing and safety is prioritised.

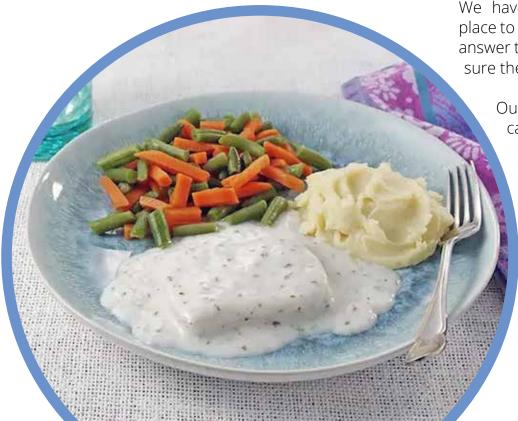

Meals are delivered daily between 11am and 2pm by our dedicated and caring Community Team Members who are trained in food safety and supporting older people. All Community Team Members are police-checked and paid the Real Living Wage.

How do we support our clients at home?

We have a 'no reply' procedure in place to ensure that if a client does not answer the door, we follow up to make sure they are safe.

Our Community Team Members carry out wellbeing checks to ensure each client's needs are met. We remind our clients to drink plenty of fluids to stay hydrated throughout the day, and we provide extra checks in winter and during heatwaves to make sure that they are living in safe conditions.

Always contact the office (see back cover) to cancel or change your meal choices and/or days. Please do not use the menu to indicate a cance change
